

# **Recommendations for Ministry of Rural Development**

**8<sup>th</sup> IRF Regional Conference on**

**“Road Infrastructure for Safe Mobility”**

**(3<sup>rd</sup> to 5<sup>th</sup> October 2013)**

## **I. Training**

1. For spreading the road safety awareness across all the villages, roadside community safety programmes may be taken up by NRRDA (MoRD) as a part of the PMGSY in collaboration with local authorities / bodies.

## **II. Trauma Care**

1. For ensuring that road accident victims receive timely medical care, Trauma Care Centres at District Level be established.
2. All heavy duty vehicle Drivers should be essentially trained in First Aid Trauma Care and First Aid Trauma Care Kit should be placed in all heavy duty vehicles.
